Fall: Our Mission

"The Mission of the Rancho Santa Fe Women's Fund is to educate, inspire, and increase the number of women committed to philanthropy in order to strengthen the community and impact lives through informed, focused collective giving."

Fall, "Our Kickoff", is an opportune time to revisit our mission statement and the year ahead of us. Please see below for highlights and opportunities to engage and connect throughout the year whether in General meetings, Grant meetings, Grant presentations, Membership activities or participating on the Advisory Board.

Collective Giving - Our 2012-13 Grants Process is Underway!

2012-2013 Focus Areas: Social Services and Health and Research. The grants process has begun with LOI's underway and the committees forming. It's a great time to contact the grant committee to learn more or sign up for one of the committees.

Educate, Inspire - Events

September 10th, General Meeting - Just the beginning! We have an exciting line up for the general meetings this year beginning with Dr. Jacopo Annese, Director of The Brain Observatory at UCSD, our September meeting speaker.

Speaker Member Events - New this year!

We will be holding three member/speaker events highlighting philanthropy and individual expertise and experiences. We are really excited about these events, as they will give members an opportunity to share experiences and learn from each one another. Please watch for an email with dates and subjects.

Committed to Philanthropy – Our Membership

Many, if not most of our new members, learn about the Women's Fund and join because of our existing members. If you know of someone that you think might be interested in learning more about the Women's Fund, please invite her to our September or November Speaker meetings or one of the Prospective Member events, held by the Membership Committee.

We are looking forward to another year of meaningful grant making together.

See you at the General Meeting on September 10th!
