Hi Nancy, Donna and Annabel,

Thank you once again for the Rancho Santa Fe Women's Fund generous grant to support youth music and dance programming at the Logan Heights Library. Your support will make a dramatic difference in the lives of countless youth who turn to the Library each day for free music and dance programs.

It was great reconnecting with you and meeting many of your members last night. I received several requests to share some photos and videos from the Library's teen music group Project Unknown and wanted to let you know that we have posted some of this information on our Facebook page ([www.facebook.com/supportmylibrary](http://www.facebook.com/supportmylibrary)) as well as the Rancho Santa Fe Women's Fund and Rancho Santa Fe Foundation's Facebook pages. If you are not able to access this information, you can also watch a great video here and I have enclosed several photos.

Thank you again for your inspiring support of the Logan Heights Library! Please forward this message to your fellow members and let me know if you have any questions about this or any of the Library's other great services and programs.

Warm regards,

Susan
